Letter No 184 dated 18-3-1929 from the President Davangere Municipality to the Deputy Commissioner, Chitaldrug

I have the honor to forward herewith an estimate in duplicate amounting to Rs 3200, a tracing of the plan and a report accompanying the estimate for the formation and laying out block No 3 of the New Extension for kind perusal

The Chief Officer of the Municipality submitted a note to the Municipal Council suggesting that taking up this block also along with the 2nd was quite necessary and urgent as sites have to be provided to the poor and middle class people whose dwellings in the insanitary and congested areas of the town are to be acquired under section 149(2) of the Municipal Regulation This subject having been considered by the municipal council in their meeting held on 20th February 1929 it was resolved that the blocks II and III be taken up urgently and sites made available for the middle classes

Copies of the resolution and Chief Officer's memo are enclosed for ready reference

This is an estimate prepared in the office of the Executive Engineer Sanitary and Town planning Division Bangalore and therefore requires no further scrutiny by him I therefore request you to be so good as to obtain sanction of Government at an early date for the enclosed estimate and to return the same

for further action This amount will be met from the provision of Rs 50000 under D1 in the current year's budget Estimate for the 2nd block has also been forwarded separately with this office No 183 dated 18th March 1929 for favor of obtaining kind sanction from the Government
